The Micro Extreme takes crossbow hunting to the next level. This crossbow may be small in stature but not in performance, reliability, and safety. Ceasefire technology ensures the crossbow cannot be fired unless an arrow is loaded. Like the other crossbows in the Micro series, it features the High Output Limbs that are virtually bulletproof under any condition. Perfectly at home in the blind, in a tree, or deep in the brush on a spot and stalk, the Micro Extreme is ready to take it on in true Excalibur style. All at 360 feet per second.

Why sacrifice comfort, maneuverability and overall weight in a low cost crossbow? With the Mag Air, there's no need to! The Mag Air is the lightest, fully accessorized crossbow that no other competitor can match. In fact, when fully accessorized the Mag Air is up to 1 pound lighter than most competitor's crossbows without their accessories installed! The heart of this game changing crossbow is the lightweight skeletal stock and mainframe, specifically engineered to reduce weight while maintaining maximum strength, not to mention a killer look. The Mag Air, a budget friendly bow without sacrifice to go anywhere, hunt any game in any situation.
